

**WE EQUIP YOU WITH SAFETY
NOW, MORE THAN EVER.**

**SINCE 1993, AWP HAS BEEN
PROVIDING OUR CLIENTS WITH EXPERT
TRAFFIC CONTROL SOLUTIONS.**

Now, more than ever, your trusted partner in traffic control service is partnering with you in work zone equipment rental and sales. Our expansive inventory, expert staff and reliable service make traffic control easy and efficient for you.

WE ARE COMMITTED.

AWP is committed to being your traffic control partner, not just another vendor, by continually enhancing our products and services to ensure we are protecting your people, your business and your time.

Because of our outstanding 25-year record in traffic safety and reliable service, we understand the complexity of traffic control projects. We're a proven, trusted partner for projects big or small, short-term or multi-year – projects in all kinds of locations and weather. Based on our experience, we can provide the right rental solution for your project.
